Dear Customer,

This is to update you about the position of COIM as regards the European Regulation 1907/2006 on the Registration, Evaluation and Authorisation of Chemicals (REACH).

First of all, we confirm that all our products are Reach compliant.

We received confirmation from our suppliers that substances / monomers with 2010 and 2013 deadlines contained in our products are been registered.

Furthermore, polymers manufactured in our LARITHANE, LARICOL and LARIPUR trade name family are exempt from Registration and Evaluation obligations according to article 2.9 of EC Regulation 1907/2006.
